NEW RUBBER STAMP BUSINESS PAYS BEGINNERS UP TO $16.50 AN HR.

START AT HOME IN SPARE TIME with Table Top Machine!

We Help Finance You . . . at less than bank rates!

The multi-million dollar Rubber Stamp business—once controlled by a few big companies—is now being taken over by small operators—one in each community throughout the United States. Men and Women who have this inexpensive machine can turn out huge quantities of Rubber Stamps with special wording that buyers once were forced to buy from big cities. Materal costing only 27c makes a stamp that sells for $2.75. The machine that does the work is simple and easy to operate and it turns out as many as six Rubber Stamps at a time, each with different wording such as names, addresses, notices, stock numbers, prices and other "copy" needed by offices, factories and individuals. Working full capacity, it can earn as much as $33.00 an hour for the operator! Now you can get into the big-pay business yourself, with your own home as headquarters. You don't need experience. We supply everything, including complete instructions and eight ways to get business coming in fast. We even help finance your start! Start making up to $16.50 an hour from the very beginning. Cash in on the profitable Rubber Stamp business in your community right away. We'll mail full particulars FREE and no salesman will call. Be first in your locality.
